

## New EBL Youth website and the EBL Youth Fund (deadline 1 December 2026)

Dear colleagues,

The EBL Youth Committee has launched its own website:

[www.eurobridgeyouth.org](http://www.eurobridgeyouth.org). It has youth bridge news, a calendar of international youth events and everything about the EBL Youth Fund.

### EBL Youth Fund: application deadline 1 December 2026

The EBL Youth Fund supports projects that promote and develop youth bridge in Europe.

For this application round, particular attention will be given to projects for communication and marketing. Projects that promote bridge for juniors and projects that develop high-quality, reusable templates and materials for social media campaigns with young people as the main target group will score higher. Applications concerning international live venues for a broad range of young bridge players will be considered. Other projects that support the objectives of the EBL Youth Fund are also welcome.

Individuals, groups, organizations and EBL member National Bridge Organizations (NBOs) may apply. Applications submitted by EBL member NBOs will be given priority.

Projects demonstrating a meaningful level of co-funding or own contribution will be considered favorably. Applicants should also consider how the project's results, tools and materials can benefit and be reused by other EBL member countries.

Application deadline

**1 December 2026**

Next application round

**15 May 2027**

### How to apply

The application form is in the applicant area of the website.

- 1 Go to the Youth Fund page and fill in "Request access":  
<https://www.eurobridgeyouth.org/youth-fund/#request-access>
- 2 When your access is approved, you will receive an email with login instructions.

- 3** Log in with your email address and a one-time code. The application form and the documents for the Youth Fund are in the applicant area.

**Please request access well before the deadline.**

## **Please ask your youth coordinator to register**

We ask every NBO to have its national youth coordinator request access to the applicant area, even if your federation is not applying in this round. On the form, choose “National youth coordinator” as the role. The applicant area is where grant calls and documents are published, and where coordinators can send us youth events for the calendar.

## **Your national youth coordinators**

Please also send us a list of your authorised national youth coordinators (many countries have just one), with:

- name
- email address
- phone number

We will use these details to stay in direct contact with coordinators and to add them to a WhatsApp group for quick updates. Please check that your coordinators agree to this before you send their details.

Send the list to [info@eurobridgeyouth.org](mailto:info@eurobridgeyouth.org).

## **Questions**

For any questions, email the EBL Youth Committee directly at [info@eurobridgeyouth.org](mailto:info@eurobridgeyouth.org).

Best regards,

**EBL Youth Committee**
